Our Services

1. Arbitration

Arbitration is a preferred method of dispute resolution in the UAE, especially in commercial and cross-border matters. Our firm represents clients in arbitration proceedings governed by local and international rules, including DIAC, DIFC-LCIA, ICC, and UNCITRAL. We assist in drafting arbitration clauses, preparing statements of claim and defense, appointing arbitrators, and enforcing or challenging arbitral awards in UAE courts. Whether acting as counsel or as arbitrators, our lawyers are deeply experienced in construction, banking, real estate, energy, and shareholder disputes. We provide clients with cost-effective, confidential, and timely solutions while safeguarding their business interests.

2. Banking & Taxation

Our banking and tax practice supports financial institutions, lenders, borrowers, fintech startups, and corporate entities with a broad spectrum of regulatory and transactional needs. We assist with loan agreements, guarantees, Islamic finance structures (Murabaha, Ijara, Sukuk), syndicated lending, and cross-border finance. Our tax services focus on UAE corporate tax planning, international tax compliance, economic substance regulations, and VAT strategy. With frequent regulatory changes and growing scrutiny in the financial sector, we provide proactive legal counsel to ensure compliance, manage risk, and facilitate smooth financial operations.

Our Services

3. Bankruptcy

Facing financial difficulties or bankruptcy can be a challenging ordeal. Our experienced bankruptcy lawyers guide individuals and businesses through the complexities of bankruptcy proceedings, helping them make informed decisions for a fresh financial start. In today's dynamic economy, businesses may face financial distress that calls for legal intervention. We guide clients through every stage of the insolvency and bankruptcy process under the UAE Federal Decree-Law No. (9) of 2016 and subsequent updates. For companies, we offer restructuring strategies to preserve business value, facilitate debt settlements with creditors, and manage court-supervised liquidation. For creditors, we pursue claims, represent interests in committees, and safeguard asset recovery. Our approach combines legal precision with practical solutions to achieve optimal outcomes during financially challenging times.

4. Civil

Civil law governs many aspects of daily life and business, from breach of contract and property claims to financial compensation and tortious liability. We represent clients in both federal and local UAE courts across a wide range of civil disputes. Our firm ensures careful case preparation, timely filing of claims or defenses, and strategic negotiation when appropriate. Whether dealing with individual matters or complex corporate litigation, we aim to deliver favorable results through meticulous legal analysis and persuasive advocacy.

AlMahy Legal Services provides comprehensive legal support for civil and criminal matters. With our deep understanding of both national and international legal systems, our experienced cede team of lawyers is well-equipped to handle a wide range of cases, ensuring that your rights and interests are protected. We assist with civil claims involving contracts, financial disputes, obligations, and compensation cases.

Our Services

5. Competition

As the UAE opens up to global markets, fair competition becomes crucial for business sustainability. Our firm advises clients on compliance with UAE Competition Law (Federal Law No. 4 of 2012) and merger control regulations. We help identify anti-competitive practices, review supply and distribution agreements, and secure clearance for mergers and acquisitions from the Competition Authority. We also represent clients in investigations, prepare defense strategies in cartel or abuse of dominance cases, and advise on pricing policies. Our goal is to shield your business from regulatory penalties while maintaining a competitive edge.

Competition law is vital in today's competitive marketplace. AlMahy provides guidance on antitrust regulations, mergers and acquisitions, and compliance, helping businesses navigate the complex landscape of competition law to ensure fair practices.

6. Criminal

Being accused of a crime in the UAE can carry serious legal and reputational consequences. Our criminal law team provides aggressive and strategic defense for individuals and corporate entities facing charges such as fraud, embezzlement, cybercrimes, drug possession, defamation, breach of trust, and violent offenses. We represent clients from the investigation stage at police stations to prosecution, court trials, and appeals. We also assist with bail applications and criminal record clearance. With deep knowledge of UAE Penal Code, Criminal Procedure Law, and federal amendments, we ensure your rights are protected every step of the way.

AlMahy Legal Services provides comprehensive legal support for civil and criminal matters. With our deep understanding of both national and international legal systems, our experienced cede team of lawyers is well-equipped to handle a wide range of cases, ensuring that your rights and interests are protected.

Our Services

7. Real Estate

With rapid growth in the UAE's property market, legal guidance is essential to safeguard real estate investments. We assist in residential and commercial property transactions, leasing agreements, mortgage structuring, and off-plan project acquisitions. We also advise on property registration, due diligence, escrow compliance, and landlord-tenant disputes. Whether you are a developer, investor, homeowner, or tenant, our team ensures smooth transactions and strong protection against legal risks in both freehold and leasehold areas across the UAE.

Navigating the real estate market in the UAE and abroad can be intricate. Our real estate experts provide comprehensive legal support for property transactions, leasing, development, and regulatory compliance, ensuring your real estate investments are secure and profitable.

Whether you're investing, selling, or leasing, we provide comprehensive real estate legal support.

8. Shipping, Maritime Aviation Services

Our transport law practice covers the full lifecycle of maritime and aviation operations. We advise shipping companies, logistics providers, freight forwarders, and airlines on regulatory compliance, carrier liabilities, bills of lading, charter parties, cargo damage, vessel arrest, and port handling disputes. We also assist with licensing and aircraft registration. With a strong understanding of UAE maritime law, international conventions, and civil aviation regulations, we deliver precise legal solutions to ensure operational continuity and regulatory alignment.

Our firm has a specialized team dedicated to the intricacies of shipping, maritime, and aviation law. Whether you're a maritime company, airline, or individual, we offer expert guidance on compliance, disputes, contracts, and regulatory matters in these industries. We handle transport and logistics disputes across the maritime and aviation industries.

Our Services

9. Family Law

Family matters can be emotionally complex and legally challenging—especially in a multicultural society like the UAE. Our family law practice provides compassionate yet firm representation in matters including divorce (Muslim and non-Muslim), financial settlements, custody disputes, visitation rights, guardianship applications, and inheritance distribution. We assist clients in Sharia courts, civil family courts, and the DIFC family tribunal. We also offer guidance on pre-nuptial and post-nuptial agreements. Our approach prioritizes the protection of children, respect for cultural sensitivities, and resolution with dignity.

Our firm recognizes the importance of family law in personal and professional lives. We offer support in matters such as divorce, child custody, and disputes, striving to protect the rights and well-being of our clients. We provide compassionate, culturally sensitive legal solutions for both UAE nationals and expatriates.

10. Insurance Law

Insurance claims and disputes require clarity, precision, and strong legal backing. We represent insurers, reinsurers, policyholders, and brokers in disputes arising from life, health, property, motor, liability, and marine insurance policies. Our services include claim assessment, policy drafting and interpretation, regulatory compliance, and litigation. We also advise clients on Insurance Authority guidelines and financial penalties imposed by the Central Bank of the UAE. Whether resolving a denied claim or handling reinsurance arbitration, our team ensures timely, fair, and compliant resolutions.

Insurance can be a complex field, and AlMahy Legal Services assists clients in understanding their insurance rights and responsibilities. We provide counsel on insurance claims, policy disputes, and coverage issues to ensure fair and equitable outcomes. We protect your interests in insurance disputes and regulatory matters.

Our Services

11. Intellectual Property Services

Arbitration is a preferred method of dispute resolution in the UAE, especially in commercial and cross-border matters. Our firm represents clients in arbitration proceedings governed by local and international rules, including DIAC, DIFC-LCIA, ICC, and UNCITRAL. We assist in drafting arbitration clauses, preparing statements of claim and defense, appointing arbitrators, and enforcing or challenging arbitral awards in UAE courts. Whether acting as counsel or as arbitrators, our lawyers are deeply experienced in construction, banking, real estate, energy, and shareholder disputes. We provide clients with cost-effective, confidential, and timely solutions while safeguarding their business interests.

12. Labor Services

Employment relationships are governed by detailed regulations under the UAE Labor Law (Federal Decree Law No. 33 of 2021), and we help both employers and employees stay compliant. We draft employment contracts, company policies, and internal regulations tailored to your industry. We also advise on termination procedures, wage disputes, workplace investigations, and labor ban issues. In case of disputes, we represent clients before the Ministry of Human Resources and Emiratisation (MOHRE) and the labor courts. Our team keeps you informed of the latest legal changes such as Emiratisation policies, flexible working rules, and end-of-service benefit reforms.

Our Services

13. Personal Injury & Tort

When injury occurs due to another party's negligence, swift legal action is crucial. Our firm helps clients pursue compensation for personal injury, medical malpractice, traffic accidents, workplace harm, product liability, and emotional distress. We assist in gathering medical reports, negotiating with insurance companies, and litigating when necessary. In tort matters, we also represent defendants unjustly accused of liability. Our objective is to secure full and fair compensation for your suffering, lost income, medical expenses, and other damages under UAE civil law.

14. Wills, Trust, and Probate Services

Planning is essential to ensure peace of mind for you and your loved ones. Our firm assists UAE residents and expats with drafting wills under UAE law and the DIFC Wills and Probate Registry. We also provide advice on Sharia-compliant inheritance planning, guardianship arrangements, and trust formation. Our probate services include court filings, executor representation, and asset distribution. With a tailored approach for each client, we help you plan your legacy, protect your family, and ensure your wishes are honored without legal complications.
